## II- OBJECTIVE

Seeking a challenging position of Medical Communication Specialist within a reputable dynamic organization. Perhaps to contribute my knowledge and skills, towards the growth of Organization and Self.

## III- SUMMARY OF SKILLS

- Flexibility, result-oriented with good selling skills through about one year of professional experience in working and selling of pharmaceutical products at Hoang Yen Pharmacy.
- Able to research and analytical thinking, as evidenced by my research on in-house standard building in graduated thesis in July 2018.
- Developed strong communication network with subject leaders such as – physicians, staff members, hospital manager and pharmacists. I regularly participate in philanthropic activities to poor and remote areas along with doctors and pharmacists to provide free medical treatment and medicine.
- Familiar with major computer applications like MS Word, PowerPoint, Excel and the Internet.
- Excellent command over written and verbal communication (English level B and TOEIC 550).
