QUALIFICATIONS

I graduated from University of Medicine and Pharmacy in 2017 with a Bachelors degree

in Pharmacist (overall GPA 7.25/10).

I am proficient in using Word, Excel and Powerpoint and can use English fluently.

Moreover, I am a hard-working and have a progressive spirit. Also, I am able to take on the responsibility of this position immediately.

However, I am careful and detail- oriented, so sometimes it takes me lots of time to finish some tasks.

INTERESTS

- Read and find references and specialized sources
- Do research
- Join in social activities such as hanging out, meeting friends and doing charity
- Find out new things
