Dear Sir/Madam,

**Apply to: Product Specialist (Chuyên viên sản phẩm).**

I have recently known that your company is recruiting a position Product Specialist and I would like to apply with interest.

I graduated at Hanoi University of Pharmacy in June 2016. I had taken a position as a Medical Rep at Novo Nordisk. Now I'm working as a Medical Communication Specialist at GSK. I have been responsible for providing Medical Information to HCPs, discovering potential customers and maintaining business relationships with existing customers.

In addition, I am proficient in communicating with customers. My key strengths include strong troubleshooting skills, quick problem solving ability and passionate to learn and adopt new skills.

My enclosed resume provides more details about my qualifications, skills and work experience. Please feel free to contact me if you have any further questions.

I look forward to have an opportunity of discussing my application with you further and how I can significantly contribute to the ongoing of your reputable company.

Thank you for your consideration!

Yours sincerely,  
Vu Van Long
