Semester in Army *Jun 2011*

Participated in training, learned social practice skills, was aware of social responsibility and had a self oriented personality

Voluntary activities

Participated in volunteer programs of my school, dormitory and society

OBJECTIVE

At the moment, I want to utilize my medical knowledge in a work related to sales, marketing. I look forward to the opportunity to work in a professional environment, a place where I can challenge and expand my limit, as well as to contribute to the development of the company. And if possible, I hope to be promoted and build a long-term future with the company.
