Logical thinking and creative

ABOUT MYSELF

Strong points : Diligent , can work under pressure, careful, has good memory and honest

Weakness : Sometimes my careful consideration make me become indecisive.

I am an enthusiastic man who love to travel. During my university period, i had the chance to travel to every province in the Mekong delta with my friends and i am usually the one who plan those trip. I am also very eager to learn and curious, i am interested in english and learning about Vietnam history . I like watching sport, not the traditional sports but esport. In the near future, i plan to take the ielts test and achieve at least 6.0 then take an english communication course.
