## OBJECTIVE

Communicate, assertive and creative.  
Determination is the key in my eyes, not giving up before achieving anything you think.  
Communicating with others is one of the things I like to do, always wanting to learn from others and helping others whenever possible.

### Career Goals

Seeking a challenging career with a progressive organization where I can harness the learning opportunity and make prominent contribution to attain its vision and mission through my knowledge, skills and commitment.

## SKILLS

## Honors & Awards

Foundation Odon Vallet 2013 for the best student in my high school.
