Position: ETC Medical Representative in HCMC

Dear Mead Johnson,

With this letter and the enclose curriculum vitae, I would like to express my sincere interest in the Medical Representative position you are looking to fill.

I have been working as a medical representative at Gedeon Richter for one and a half year. With my achieved experience, I really hope that I will be receiving your feedback. In my opinion, I think that: "Knowledge, skills and attitude are important things to be successful in medical representative job. Among them, the attitude is the most important thing."

The role of medical representative will allow me to demonstrate my strong communicative skills in a dynamic environment. I am able to work in team and individually in positive spirit, under high pressure. Those things facilitate my potential of success on pharmaceutical.

If I am given a chance to work in your company, I would like utilize my potential at full set measure and contribute heartily to your company's success and growth. I will become a good employee in the future. I'm suitable to work long term in there.

As you can see I have the focused skill set that your company requires. I am looking forward to speaking with you soon to set up a personal at your convenience.

Thank you so much for your time and consideration.

Yours Sincerely,

Dang Van Nhan
