PERSONAL STATEMENT

I was born Bac Giang province in 1994. I was graduated from Ha Noi University of Pharmacy and became a pharmacist in June 2017.

I consider myself as not only an open and friendly but also active and hard-working person. I like making relationship and bringing happiness and other values in life to people.

Although I do not have too much experience working as a Medical Communication Specialist but I am interested in this career and willing to be a professional sales staff.

Why don't we work together? I hope we can go futher to see I am the prospect staff that you need.

QUALITY

- Active and willing tolearn
- Careful, responsible andtrustworthy
- Able to work under pressure good at timemanagement
- Flexible and adaptable
